2 Read about David's picnic and then answer the questions.

## Summer picnic

Everyone loves summer! Well, most people do, anyway. One of the nicest things to do on a summer's day is have a picnic. Last Sunday, my friends and I went to the lake for a picnic. Each person chose three things to take. I chose a bag of strawberries, a bar of chocolate and some cheese sandwiches. Joe chose a loaf of bread, some apples and a big cake. Mary chose grapes, lemonade and some pieces of chicken. Finally, Jane chose some slices of pizza, yoghurt and crisps.

We sat by the water. There were some tables and chairs there. We decided to play a game with our food. We decided to try putting different foods together. Jane tried crisps with strawberries, but she didn't like it. I put some chocolate on a slice of pizza. It was quite nice, but no one else liked it. Joe put apple with chicken. That was really nice. We all ate a lot of that!

Later, we went for a walk around the lake and we also went on the lake in a boat. It was fun! Next time, we will go for a picnic at the top of a hill, or maybe we will go to the park, or maybe we will go to the woods. Oh, and I told my sister about the food game we played on the picnic and now she plays it with her friends!
